

Final Match to Decide Doubles Cham- pionship is Scheduled to be Played This Afternoon

WARWICK AND SHAW, WHO WON LAST YEAR'S DOUBLES TOURNA-
MENT FROM KIRKPATRICK AND STAPLES WILL MEET THE
SAME TEAM TODAY—SO IT OUGHT TO BE SOME MATCH.
CONSOLATION FINAL SINGLES READY TO BE
PLAYED BETWEEN BAER AND
W. D. R. EVANS.

With one of the teams determined to retain the Doubles Championship title won in last year's tournament, and the other team equally determined to regain those honors which they have held in a number of past years, you may depend on it, there is going to be a fine tennis match on the courts of the Narberth Tennis Association THIS SATURDAY AFTERNOON, OCTOBER THE SIXTEENTH, 1920, A. D. (Friend Walter Cowan, please note!)

In other words, the finals in the Doubles Tournament will be played this Saturday afternoon. It is hoped to start the match promptly at 2 o'clock. The contending teams will be Messrs. Warwick and Shaw vs. Messrs. Kirkpatrick and Staples.

Last year Warwick and Shaw won the Doubles Title in the finals against Kirkpatrick and Staples, and previous to last year the latter had won the Doubles honors in a number of tournaments. So it doesn't take a Hugh Fullerton or a Ring Lardner to predict a good lively match this afternoon.

If we were called upon to describe the four players, in addition to saying much in favor of their skill as tennis artists, we might add that Mr. Shaw covers three or four courts at one time with more ease, speed and skill than the average good player covers one; that Mr. Warwick "shoots" with the speed and deadly accuracy of one of Mr. Remington's well-known fowling pieces in the hands of the late Colonel Cody; that Mr. Staples, when it comes to persistent, determined—and if you have ever played against him—awful regularity, is a regular old Seth Thomas himself; while Mr. Kirkpatrick shows no more mercy for his opponent, when it comes to cutting and slicing—the ball—than a South American revolutionist shows for a fellow townsman who stands in the way of overthrowing the old government and setting up of a new one.

Outside of this, they are all very nice fellows and play an altogether friendly game. Trusting that these few lines will find you well, and hoping to see you this Saturday afternoon on the courts—and also Saturday evening, October 30, at the Masquerade Ball in Elm Hall (adv.)—we remain, "may we not—Cordially and Sincerely, yours."

A Few Tennis Notes.

Frank Baer and W. D. R. Evans, contenders for the honors in the Consolation Singles Finals, will probably decide the championship this afternoon. "Both boys are members of this club, and promise to give good accounts of themselves."

Mr. Evans won his way to the finals on Wednesday afternoon by defeating Mr. Foote, 7-5, 6-4, 8-6. When interviewed in his breakfast room the next morning, Mr. Foote made the following statement: "You may quote me as saying it was a darn good match, especially that second set."

Members of the Tennis Association played two out-of-town engagements last week. On Saturday afternoon they were the guests of the Bucks County Country Club at Langhorne. Three

teams, consisting of Kirkpatrick and Gragan, Williams and Whitney, and Van Anken and McKell, represented Narberth and made a very creditable showing, winning all the singles matches and all but one of the doubles matches. But with becoming modesty they forgot to "bring home the scores," so the best we can do is to say that "a pleasant time was had by all" and that after the matches the Narberth players were entertained by the Langhorne players at dinner at the club house.

But there is a different tale to tell about the journey to Ardmore on Sunday afternoon, where our local players were the guests of the Ardmore Tennis Club. Narberth was represented by three teams, but, sad to tell, we lost all the singles matches but one—thanks to our City Father, W. R. D. Hall—and two out of the three doubles matches. Again, in the doubles, it was Bill Hall along with McCahill, who saved the day, winning one and losing one set, and leading in the third when darkness stopped the playing.

But the "cruelest" defeat came in one of the singles matches, when one of our Narberth prides was not only defeated, but by an opponent who never even rolled up his sleeves or removed his collar, and, according to reliable eye witnesses, exuded no more than six or seven beads of perspiration during the entire contest.

The scores of the Ardmore matches follow: C. Stanley Rodgers defeated Van Anken, 6-0, 6-1; Harold Lane defeated H. V. Whitney, 6-2, 6-4; Frank X. Connelly defeated Mike McCahill, 6-3, 6-4; Donald Campbell defeated J. C. McKell, 5-7, 6-1, 6-4; Anthony De Gheqier defeated Roy Williams, 6-1, 3-6, 6-4; W. R. D. Hall defeated Harold Godfrey, 6-4, 6-4.

Doubles: Lane and Connelly defeated Van Anken and McKell, 4-6, 6-3, 6-2; Rodgers and DeGheqier defeated Williams and Whitney, 6-1, 6-2; and Hall and McCahill all-but-defeated Carl Parker and Campbell, 4-6, 6-2, 6-5.

Many Women Will Vote

NINETY PER CENT. OF THOSE
IN MONTGOMERY HAVE PAID
TAX—FOUR ELIGIBLE
CLASSES FOR NOVEM-
BER ELECTION.

About 90 per cent. of the registered women voters of the county have paid the county tax levied, according to William S. Dickerson, Clerk in charge of the County Treasurer. As usual, business picked up at the last hour and many women decided to come through with the tax just before the office closed last Thursday.

Narberth, the big district, where 905 women were registered, jumped from 51 paid accounts to more than 500. A check for the amount was sent in from the district with authorization to pay the tax for the women. The assessor in Narberth made the claim that nearly all of the women in his district are Republicans.

Four classes of women are now eligible to vote, and if your wife, daughter or mother fails to come under any of these heads she must wait four years to vote for another President.

1. On age. A girl who is 21 before November 2, and has not reached 22 years on or before that date.

2. Those registered on regular registration days, and who paid their tax before October 2.

3. Property owners who have paid a tax to the county within two years previous to November 2.

4. Holders of mortgage or money at interest, who have paid a State tax within two years.

The last two named classes will be required to qualify before the Election Board on the day of the election. They must take an affidavit answering questions regarding residence, etc.

Chivalrous men are not expected to challenge any woman at the polls and unless ward workers have personal

An Open Letter

Honorable Members of Council and
Fellow-Citizens of Narberth:

When duty and enlightened self-interest combine to urge a line of action, they present a powerful appeal. But when opportunity coincides with them, the summons to decision is imperative.

Such a situation confronts Narberth today. It rests with you, with all of us, to determine whether we shall develop in permanent forms our unsurpassed possibilities in respect to social and educational activities, or shall sacrifice our heritage through heedlessness or lack of vision.

In a recent issue of Our Town I ventured to present the needs of the Narberth troop of Boy Scouts, and the response showed the existence of a public spirit which gives high hope that a broader improvement program will find support. As one of our most respected citizens observed, in cordially endorsing the suggestion in behalf of the Scout troop, there are other causes of equal merit which ought to be considered—that provision should be made, for example, for the girls of the community, and for boys who are too young or too old to join the Scouts.

Several of our most useful organizations, indeed, are homeless, or conduct their beneficent activities on sufferance and with no assurance that they will be able to continue. Suitable quarters are needed for the American Legion and the Camp Fire Girls. The Narberth baseball team, which has been a source of entertainment and distinction to the

For God and Country, we associate ourselves together for the following purposes: To uphold and defend the Constitution of the United States of America; to maintain law and order; to foster and perpetuate one hundred per cent. Americanism; to preserve the memories and incidents of our association in the Great War; to inculcate a sense of individual obligation to the community, State and Nation; to combat the autocracy of both the classes and the masses; to make right the master of might; to promote peace and good will on earth; to safeguard and transmit to posterity the principles of justice, freedom and democracy; to consecrate and sanctify our comradeship by our devotion to mutual helpfulness.—Preamble to the Constitution of the American Legion.

THAT WONDERFUL DANCE.

The first of the winter series of dances given by the American Legion Post was held in Elm Hall last Friday evening.

The Entertainment Committee has received a great many congratulations on the selection of the orchestra and the arrangement of the decorations, with which they were helped so ably by the Women's Auxiliary.

The high class music that the orchestra furnished is sure to attract larger and larger attendances.

whole borough, should have a permanent field, which would be available in season for the football team, and the tennis enthusiasts, who include folk of varying ages and both sexes, ought to possess adequate facilities. Other enterprises for promoting the welfare and happiness of the community will suggest themselves.

For these various organizations to attempt to procure the needed accommodations through independent effort would be uneconomical; not only that, but their efforts would conflict and nullify each other to a great extent. Such a project should be based upon a carefully devised and co-ordinated plan, and to be effective, it must be a borough undertaking, backed by the sentiment and the resources of the whole community. It is suggested that the borough might provide at least the ground where the requisite playing fields and buildings could be established for the use of the various organizations.

The pressing nature of the problem becomes apparent when it is considered that there remains available only one space within the borough limits that would furnish the needed area. This is the tract lying between Narbrook and the tracks east of Wynnewood avenue. It is owned by the Pennsylvania Railroad, and comprises about six acres, ample for the purposes in view. The land is now open to purchase. But if it is to be obtained by the borough prompt action is necessary; for it is understood that a business firm is negotiating for the plot,

Editorial

To the Editor of Our Town.

As a matter of general information, the property owners and residents of Narberth will note that the minimum charge on their water bill is omitted and instead there is a service charge of approximately \$2.00 per month.

This makes your quarterly water bill \$2.00 more than heretofore, or an advance of \$8.00 per year on your water rent.

The writer has communicated with the Public Service Commission at Harrisburg and is advised by them that a hearing was had on the 10th of June, 1920, whereat it was agreed that the company's tariff, P. S. C., Penna. No. 5, effective July 1st, should be filed on one day's notice.

RESIDENT OF NARBERTH.

The following letter evidently was written by one of the Narberth boys who, undoubtedly, appreciated the opportunities which the Y. M. C. A. offered to our local boys, and while the letter came to Our Town unsigned, yet we are taking the liberty to publish it. To the Editor of Our Town:

In last week's issue of your paper I notice that steps have been taken to end the street loafing in Narberth. I think this is a very good idea, but why do they not open the Y. M. C. A. so we can have some place to go on winter evenings? It would be a good thing if they would open it and admit members only.

designing to make it the site of a commercial plant which, however useful and respectable, would be a disfigurement to a residential neighborhood.

If this last available tract of land is permitted to pass beyond our reach, Narberth will be forever deprived of the opportunity to establish a playground and athletic field and comprehensively planned center for the community's social activities; it will be unable to enjoy, in a word, those facilities for healthful recreation and outdoor exercise which distinguish suburban life from the cramped existence of the city.

Our situation is that which every growing community has to face sooner or later. The results of alternative policies are before us in two conspicuous examples. The magnificent city of Washington, which the world so admires today, was planned in detail when it was a village smaller than Narberth is now; its broad avenues and shaded circles with their radiating thoroughfares have come into being with its growth, according to an ordered program. Because of lack of foresight, on the other hand, Philadelphia has had to resort to vast destruction of property, at staggering expense, in order to open highways and breathing spaces in congested districts.

The problem confronting Narberth is less extensive and less complex, of course, than that of a populous city. But it is of precisely the same nature. Evasion and postponement will mean opportunity forever lost and a future of unavailing regret. Courageous and far-sighted action will mean the development of a community life which will be of immeasurable benefit to this and coming generations.

Narberth's citizens look confidently to their honored officials for constructive leadership in forwarding this urgently desirable undertaking, and stand ready, I am sure, to co-operate loyally with them in bringing it to realization.

Y. M. C. A. NEWS.

A full program of varied helpful activities makes the building of the Lower Merion Department of the Young Men's Christian Association of Philadelphia situated at Ardmore, Pa., a very busy place.

A couple phases of service rendered by the Association are of vital interest at this time. The Association Employment Exchange operated throughout the city and community is doing a great deal of work. Our central office, 1421 Arch street, through which most placements are cleared, is prepared to serve employers in most any business as well as place people who want a position, regardless of what the position may be. Owing to the continued shortage of housing quarters, our lodging exchange is also serving in increasing numbers people who need housing accommodations. The Association is always glad to learn of rooms or apartments which might be occupied by those coming to prominent phase of our service is Americanism for such accommodations. A third itemization work. In co-operation with other movements along this line, we are developing a system of work that will make it convenient for any who want further help in learning to read or write English, or know more of the elements of mathematics, Americanism and government, will have an opportunity to do so this winter.

Seeing no reason why they should not enjoy a good social evening this fall as well as the grown-ups, our Juniors had a jolly good time on Thursday evening, October 14th, at their marshmallow and half smoke roast. Games, story-telling and a general good time characterized the evening events.

The Y. M. C. A. Commercial League opened their season on Monday evening, October 11th, with two matches on the Y. M. C. A. alleys. The Auto Boys rolled against the Business Men, and started heavy by taking all three games. At the same time, the St. Mary's Men's Club met on the Bronson alleys the Post Office team, winners of last year's cup. The former team apparently came out with their teeth set to make the best of it against their heavy opponents. They did it by taking two out of three games.

HOWARD'S DRUG STORE ROBBED.
Lower Merion Police Make Arrest Sunday Morning.

About 2.15 last Sunday morning Officers Hoff and Craig, of the Lower Merion police, stopped a suspicious looking character on Wynnwood Road, Merion. A search showed that the man carried packages of morphine, opium, and heroin, also a package of coins in a Merion Title and Trust Company wrapper.

The officers roused Mr. Howard from his Sunday morning slumber and had

him open the drug store, which showed that the rear window had been broken.

In confessing the robber admitted that he was a drug addict or "dope fiend," and should have been in Brooklyn to get his periodical "shot" from the police department. The prisoner was held in Ardmore for a hearing.

Police protection like this is a valuable asset to the community. The Lower Merion police, and Officers Hoff and Craig especially, are to be commended in the highest terms for this arrest and their ability and vigilance.

TREE PLANTING.

The Government is making an earnest effort to induce many of the States to plant trees on a wholesale scale and in some measure restore their original wealth. There are thousands of acres lying idle, even in such populous States as New York and Pennsylvania, which can be made to yield millions of dollars every year if planted with trees. It is pointed out that although the Eastern States once possessed more than enough trees for their own use they must now import lumber from the Pacific Coast, of course, at great expense.—October Boys' Life.

SCOUTS SHOULD COLLECT STAMPS.

"C. W. Beckwith, a patrol leader who specializes in the stamps of Siam, has an article on this subject which he wrote specially for the Jamboree issue of Stamp Collecting," says Kent

B. Stiles in Boys' Life for October. In it he makes this comment:

"I think every scout should become a general collector, and after this, specialize if he so desires. Besides being a great help to his study of geography and history, the general knowledge he acquires is often very useful. He also indulges in an interesting and profitable pastime, and if he corresponds with a scout in his favorite country, for what more can he wish?"

ASH COLLECTIONS.

During the month of October and the following months, until further notice, ashes will be collected each week, Monday and Tuesday, north side; Wednesday and Thursday, south side.

The kiddies will masquerade as grown-ups at this delightful entertainment to be given in Narberth M. E. Church the last week of this month. Mrs. Walker Owen and ladies of committee are doing their utmost to make it a success. Let the little ones come to rehearsals regularly every Tuesday and Friday at 3 P. M. in church.

P. R. R. SELLS 5,718 TICKETS TO COMMUTERS AT OLD RATES.

Reading Railroad Carries Passengers for Less Than Cent a Mile.

Commutation tickets sold ten to fifteen times faster than the usual rate on Wednesday, the last day on which they could be bought at the old rates, at Broad Street Station and the Consolidated Ticket Office, at Sixteenth and Chestnut streets.

The Pennsylvania Railroad announced that 5,138 tickets were sold to suburbanites at both offices and 580 at the Market street and Camden ferries.

Railroad officials declared the sale unprecedented and the clerical forces had great difficulty in coping with the unusual situation, caused by commuters who were sufficiently far-sighted to take advantage of the road's ruling that tickets bought prior to Thursday would be honored until expiration of their terms.

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow townsman, and who is progressive enough to add name to list of Register.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, addresses, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.

NARBERTH HIGH SCHOOL FOOTBALL TEAM GAINS VICTORY.

The Narberth High School Football Squad gave the Haddonfield High School a setback by defeating them on the former's field, 20 to 0, on Friday last.

John Dickie's end runs and Art Cook's line plunging were the features of the game, with the playing of Odorne and Knapp being close seconds.

The High School Coach, Mr. Barfoot, is developing one of the best squads ever turned out in the High School. Credit to Mr. Barfoot.

The football squad plays Lower Merion High School on the latter's grounds today. Here is a good chance for the people of Narberth to see the boys in action.

Everybody out and see a good game.
LOUIS RICKLIN,
Mgr. of Narberth High School Football Team.

WINTER SPORT ACTIVITIES.

The Harold D. Speakman Post, 356, A. L., has sent out an invitation to all posts along the Main Line to join a basketball and bowling league about to be formed.

This will help the members of the Posts along the Main Line to get better acquainted with each other and to work up a keen interest in sports.

OUR NEW HOME.

On account of so many fellows not being able to get out to help furnish the club house, the committee has decided to have a contractor finish it up so as to be sure to have it completed and furnished by Armistice Day.

THE BUILDING AND LOAN ASSOCIATION.

The Building and Loan Association granted its first loan at the meeting of the association on Tuesday evening, October 5.

It would have done a veteran director good to have heard the arguments and consideration given in selecting the right loan which would be the safest and best investment of the stockholders' money.

The first series will be held open until after the meeting in November.

SIGNAL CORPS PHOTOS NOW ON SALE.

The United States Signal Corps is taking vigorous steps to frustrate, in so far as possible, profiteering in the Government's official photographs of the World War. The Signal Corps cannot stop private concerns from buying the standard Signal Corps pictures and reselling them, and certain shrewd parties with an eye to the opportunity presented by the great demand for these pictures among ex-service men and women, have been conducting extensive advertising campaigns, collecting orders for the pictures, buying the pictures from the Signal Corps at cost and reselling them at profits ranging from 100 to 600 per cent.

Determined to do something constructive to protect ex-service people who want these pictures, the Signal Corps has supplied every public library in the country with a catalogue containing numbers and descriptions of all pictures and instructions for ordering them. It has also compiled and has ready to mail out to any one interested

catalogues of the pictures taken of any and all divisions.

The Signal Corps has 75,000 different scenes and more than 1,000,000 feet of motion picture film, illustrating the activities of the American Army at home and in France, England, Italy, Russia, Belgium, Luxembourg, Austria, Germany, Siberia and elsewhere.

Copies of these pictures may be obtained from the Photographic Section, Signal Corps, United States Army, Washington, D. C., at prices as follows:

For the standard print, 6½x8½ inches, 15 cents per copy; enlargements, per copy, 11x14 inches, black and white, 40 cents; sepia, 45 cents; 14x17 inches, black and white, 55 cents; sepia, 65 cents; 16x20 inches, black and white, 80 cents; sepia, 90 cents; 18x22 inches, black and white, 90 cents; sepia, \$1.00; 20x24 inches, black and white, \$1.15, sepia, \$1.25; for the motion picture film, positive print, 10 cents per foot, duplicate negative, 80 cents per foot.

Orders should be made by catalogue number where possible. Where access to a catalogue is impracticable, or where some picture or pictures wanted cannot be found listed in the catalogue, the Photographic Section of the Signal Corps will undertake to track down the scenes desired if the customer will write in naming the scene, action, location, organization or individual. All orders must be accompanied by money order, certified check or cash. Postage stamps cannot be accepted.

The Signal Corps has sold more than 350,000 prints to date.

Many Women Will Vote

(Continued from Page 1.)

knowledge of a woman's tax being paid she may get away with the vote.

The same regulations that have applied to men also apply to women voters. In order to qualify for voting, a man or woman must have been a citizen of the United States one month before election. One year's residence in the State must be proved before a citizen can vote in that State, except where a citizen has previously qualified, and six months' residence in the State must be proved. To vote in an election district, residence of at least two months is required.

THE FIRESIDE

(Continued from Page 1.)

Misses Marian and Ruth Haws visited Mrs. Wm. Kelley at her home in North Wales. Mrs. Kelley was formerly Miss Adeline Lonzelore, a teacher in the Narberth schools. A daughter came to the home of Mr. and Mrs. Kelley on September 25th, whom they have named Virginia Elizabeth.

Hallowe'en Masquerade Dance to be Given by Ladies of Tennis Association

Members of the Narberth Tennis Association and their wives and friends are asked to keep in mind the Hallowe'en Masquerade Dance which will be given in Elm Hall, Saturday evening, October 30.

The affair will be given by the Ladies' Committee of the Association and promises to be a big party—lots of fun for everybody. Many unique and amusing costumes, and plenty of dancing for all.

Members of the Association will be supplied with tickets in about ten days.
